Conditions of Service:

Owner of bitch agrees to abide by the Keeshond Club of America's "CODE OF ETHICS". Owner of bitch must have verification that the bitch's hips and stifles have been evaluated and certified as breedable either by OFA or their veterinarian and a certificate presented to me before the breeding along with a four generation pedigree.

The fee for this mating is \$ _____. If no live birth results from this mating, a free return service will be given only at the next heat of same bitch and to my same stud. No refund of cash fee if no pregnancy either time.
