

## Ch. Windrift's Summertime Blues HOF ROMX, "Badger"

Badger had an exceptional personality. He was one of the easiest dogs I have ever lived with. Showing was the most important thing in his life. His love of showing was obvious to anyone who saw him in the ring; he had a charisma and joy that made him unforgettable. In three years of campaigning, Badger was the #1 Keeshond in breed and group competition. He was the #4 Non-Sporting Dog in 1993 and 1994, and #3 Non-Sporting dog in 1995. In those three years he defeated over 40,000 dogs.Badger appears in pedigrees of many of today's top Kees.
